Contenitori e fioriere _ containers and flower-pot stands

È una famiglia di tre contenitori in ceramica riferiti alla morfologia vegetale che prosegue la ricerca formale e materica dei vasi per fiori Bambù e Trifoglio. Rosa antico, bianco e sabbia sono i toni naturali che evidenziano la grana materica della ceramica.

A family of three ceramic containers that resemble the form of plants, continuing the formal and material research of the Bambù and Trifoglio flower vases. The natural colours that highlight the texture of the ceramic are old rose, white and sand.
