Organizzatori scrivania *_desk organizers*

Il set è composto da tre elementi: portamatite, portaoggetti e portabuste. Il disegno della loro sezione, derivata dalla trave tipo lpe, consente a questi elementi di assumere posizioni diverse sul piano, divenendo di volta in volta porta foto, porta telefono o piani d'appoggio per piccoli oggetti...

The set consists of three elements: pencil holder, object holder and envelope holder. Their section design, derived from the lpe-type beam, allows these elements to assume different positions on the desk surface, becoming a photo holder, telephone holder or supporting surface for small objects as necessary...
